## Managing eVP Account/Contacts

The North Carolina electronic Vendor Portal (NC eVP) is an internet application that allows companies and individuals to register to do business with the state of North Carolina. Vendors are required to manage their account and keep it up to date. Vendors can update their information by going to the eVP homepage. This guide provides detailed steps to update the contacts, addresses, and locations on an eVP account. If there are any questions during the registration, please contact the NC electronic Vendor Portal Help Desk via phone at 888-211-7440, option 2, or via email at [vendor@nc.gov](mailto:vendor@nc.gov).

### I. Changing eVP Password

1. To reset an eVP password, click the **'Sign In or Register'** button or the **'Sign in'** from the electronic Vendor Portal homepage and select the **'Login'** button.

2. Click the **'Forgot your password?'** option underneath the **'Password'** field on the sign in page.

3. Type the email address associated with the eVP contact into the **'Email Address'** field and click the **'Send verification code'** button. The verification code will be sent to the email address provided.
4. Type the verification code into the **'Verification code'** field, select the **'Verify Code'** button, and click the **'Continue'** button.
5. Type a new password in the **'New Password'** field and enter the same password into the **'Confirm New Password'** field and select the **'Continue'** button. The password will update.

## II. Updating Profile Information

1. From the Home page, click on the Name of the User in the upper right-hand corner of the screen and select the **'Profile'** option.

2. Users can update any of the following fields from the **'Profile'** page.
  - a. **'First Name'** – The first name associated with the user.
  - b. **'Last Name'** – The last name associated with the user.
  - c. **'Email'** – The email address associated with the user.
  - d. **'Phone'** – The business phone number that is associated with the user.
3. Update any field(s) that needs to be updated and click the **'Update'** button. The user's profile will be updated.

Your Information

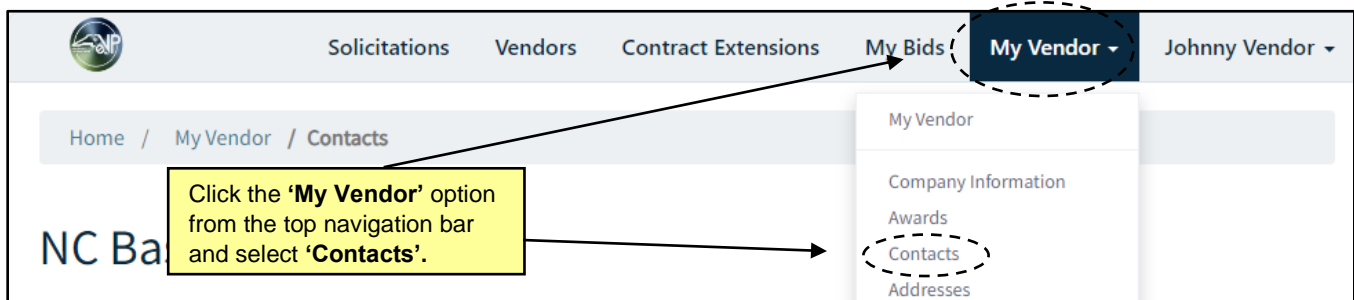

<b>First Name *</b>	<b>Last Name *</b>
<input type="text" value="Zack"/>	<input type="text" value="Test"/>
<b>E-mail *</b>	<b>Phone</b>
<input type="text" value="epbilling@its.nc.gov"/>	<input type="text" value="8882117440"/>

Click the **'Update'** button to finalize any updates made to the profile page.

### III. Adding a Contact

1. After selecting the **'My Vendor'** option from the navigation bar on the top of the page, click the **'Contacts'** option from the drop-down menu.

2. Click the **'Add Contacts'** button and populate the **'First Name'**, **'Last Name'**, **'Email'**, and **'Phone Number'** fields with the new contact's information.

3. Select the appropriate **'eVP Access Level'** by clicking the radio button next to it.
  - a. **Account Owner** – This access level allows the contact to edit all editable account information and to submit electronic bid responses. Only users with the Account Owner access level can edit or complete HUB and NCSBE certifications.
  - b. **Account Maintenance** – This access level allows users to submit electronic bid responses and modify all account information except for the Registration Type and Company Information Page. This access level allows users to submit electronic bid responses.
  - c. **Read Only** – This access level allows users to submit electronic bid responses, but the contact will not be able to edit the account.
4. If necessary, click the check box next to **'This contact is a sourcing contact'**. This will enable the contact to have additional NC eProcurement Sourcing permissions.
5. Click the **'Submit'** button. The new contact should be visible in the **'All Contacts'** table. The newly added contact will get an email invitation to create their profile.

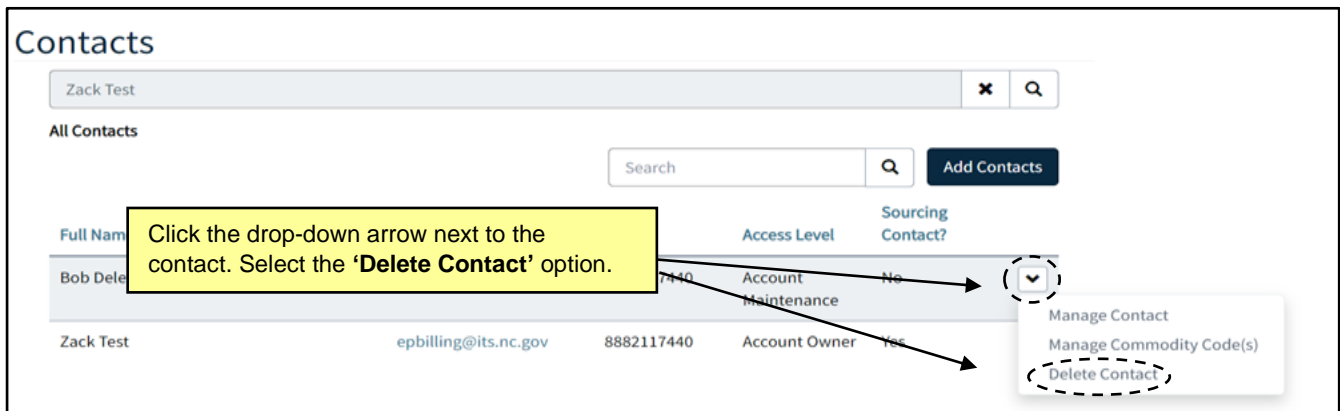

## IV. Deleting a Contact

1. On the **'Contacts'** page click the drop-down arrow next to the contact that needs to be deleted.
2. Select the **'Delete Contact'** option. The contact will no longer show up in the **'All Contacts'** table.

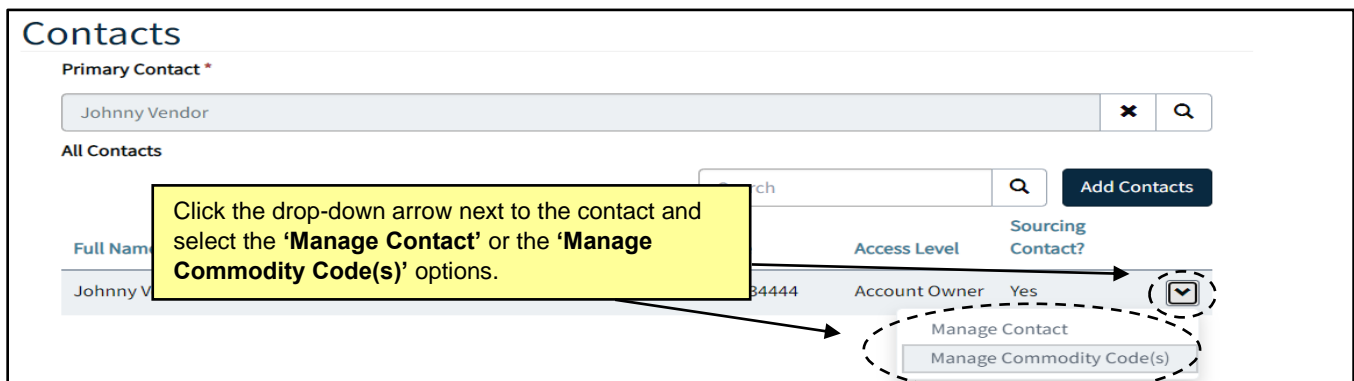

**Notes:**

- If a user is associated with the locations page, they should be replaced with a different user before deleting them.
- The account must always have at least one account owner.

## V. Editing an Existing Contact

1. To edit a contact, click the drop-down arrow next to the contact in questions. Click either the **'Manage Contact'** or the **'Manage Commodity Codes'** option depending on what needs to be edited.
  - a. The **'Manage Contact'** option will allow the user to edit the contact's basic information. After making any necessary updates click the **'Submit'** button. This will update the user.
  - b. The **'Manage Commodity Codes'** option will allow the user to add and remove commodity codes associated with the contact. To remove commodity codes, select the drop-down arrow next to the code and select the **'Remove Commodity Code'** option. To add commodity codes, click the **'Add Commodity Code(s)'** button to add commodity codes. Bid notifications are sent to contacts based on the commodity codes associated with their contact record.

## VI. Adding a Location

1. Click on the **'Locations'** link on the left-hand side of the page.

The screenshot shows the 'Test Vendor' profile page. On the left-hand side, there is a navigation menu with the following items: Overview, Company Information, Awards, **Contacts** (highlighted with a dark blue background), Addresses, **Locations** (circled in red), Billing, Tier 2 Spend Data, and Certifications. A yellow callout box with a black border points to the 'Locations' link, containing the text: 'Click on the **'Locations'** link on the left-hand side of the page.' The main content area is titled 'Contacts' and includes a 'Primary Contact' section with a search bar containing 'Zachary Tilson'. Below this is an 'All Contacts' section with a search bar and an 'Add Contacts' button. A table lists the contacts:

Full Name ↑	Job Title	Email	Mobile Phone	Access Level	Sourcing Contact?
Test User		ztilson15@gmail.com	8882117440	Account Owner	Yes
Zachary Tilson		zachary.tilson@doa.nc.gov	8882117440	Account Owner	Yes

2. Select the **'Add Location'** button. Complete the following fields to create the Location:
3. **'Location Name'** – Enter the Location Name to uniquely identify the company location. The Location Name should include any information needed to uniquely identify the location: division name, subsidiary business name, geographic location, product division, etc. This field will be seen in the buyer system and will be used by buyers to select the correct location to which to send their purchase order.
4. **'Primary Address on Vendor Search'** – Click the magnifying glass next to the **'Primary Address on Vendor Search'** field. On the popup window, select an existing record, or click the **'New'** button in the lower left-hand corner. If the **'New'** button is selected, fill out all the required fields and select the **'Submit'** button.
5. **'Order From'** – The Order From section determines where purchase orders are sent. Click the magnifying glass next to the **'Order From'** field, select an existing Order From, or click the **'New'** button in the lower left-hand corner. If the **'New'** button is selected, fill out all the required fields and select the **'Submit'** button.
6. **'Remit To'** – The Remit To section determines where payment for goods and services is sent. Click the magnifying glass next to the **'Remit To'** field, select an existing Remit To, or click the **'New'** button in the lower left-hand corner. If the **'New'** button is selected, fill out all the required fields and select the **'Submit'** button.
7. **'Bill To'** – The Bill To section determines where invoices for NC eProcurement transaction fee is sent. Click the magnifying glass next to the **'Bill To'** field, select an existing Remit To, or click the **'New'** button in the lower left-hand corner. If the **'New'** button is selected, fill out all the required fields and select the **'Submit'** button.

8. Click the **'Submit'** button. The location will be created and visible in the **'All Locations'** table.
